

FISCAL NOTE

HB 3032 - SB 3138

March 6, 2002

SUMMARY OF BILL: Deletes provision requiring a portion of the fine up to the maximum fine imposed on D.U.I. offenders to be returned to the sheriff of a county jail or the chief administrative officer of a city jail for the cost of incarcerating the offender.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - Shifts fine revenues from sheriffs of counties to the general funds of other local governments estimated to exceed \$100,000.

Estimate assumes a county which houses offenders for cities within such county or any jail facility which houses offenders for another local government would experience decreased revenues from D.U.I. fines currently paid to the sheriff or administrator for the cost of holding such offenders to the extent such cities or other local governments chose not to share the fine proceeds with the sheriff or administrator under the provisions of the bill.
